

## **Lei Lin**

*Shanghai*

---

### **PRACTICE AREAS**

- Intellectual property
- Dispute resolution
- Antitrust/competition

### **PROFESSIONAL EXPERIENCE**

Mr. Lin specializes in dispute resolution related to intellectual property, anti-unfair competition, and anti-monopoly as well as intellectual property transactions and compliance and patent applications and invalidations. He has participated in resolving IP disputes in various technology fields including telecommunications, software, electricity, optics and machinery, successfully safeguarding clients' rights and interests. He has also assisted clients in IP due diligence, IP compliance system construction, and freedom to operate analysis.

Before joining Han Kun, Mr. Lin interned with a German ERP software company, providing database-related technical support and gaining a deep understanding of software technology. He later interned in the Shanghai Intellectual Property Court, where he accumulated extensive experience in IP litigation.

### **EDUCATION**

Mr. Lin obtained his Bachelor of Engineering degree in Software Engineering from Tongji University in 2020, with a research focus on computer vision, and obtained his Master of Laws degree from Shanghai Jiao Tong University in 2023, with a research focus on intellectual property.
