### **PRACTICE AREAS**

- International sanctions and export controls
- Import-export and Trade Compliance
- Corporate compliance

### **PROFESSIONAL EXPERIENCE**

Ms. Jiang has extensive experience in cross-border trade compliance, including import and export compliance management, trade planning and structuring, supply chain compliance, and export controls and sanctions.

Ms. Jiang has 15 years of experience and extensive professional knowledge with respect to import and export compliance. She is familiar with the laws, policies, and procedures across practice areas relating to import and export and customs issues. Ms. Jiang has advised hundreds of multinational companies, large state-owned enterprises, and private enterprises on a wide range of trade issues covering tariff planning, transfer pricing and risk control, customs audits, processing trade verification, customs compliance reviews, AEO certification and re-certification, tax dispute resolution, and administrative reconsideration. She has won wide recognition from her clients, which operate in industries such as automobile, healthcare and medical devices, electronics and telecommunications, mechanical and electronic products, luxury goods, and food products. Meanwhile, Ms. Jiang has also participated on many occasions in regulatory inquiries and research activities organized by the General Administration of Customs of the People's Republic of China. Additionally, Ms. Jiang assists clients with U.S. anti-circumvention, Section 232 and Section 301 investigations. She helps enterprises to obtain reduced tariff rates and product exclusions to protect their rights and interests in overseas markets.

With respect to corporate compliance, Ms. Jiang has contributed to numerous projects, offering services such as establishing compliance systems, conducting compliance inspections and investigations, identifying and assessing compliance risks, and obtaining ISO certifications for multiple state-owned, central, and private enterprises.

In recent years, Ms. Jiang has also provided export control and economic sanctions-related legal services to many well-known enterprises in China, the United States, and Europe based on the unique aspects of their businesses. She has assisted her clients in carrying out internal compliance investigations and formulating and implementing tailored export control and sanctions compliance systems. In addition, Ms. Jiang also provides trade-related legal services for transactions in the automobile, semiconductor, and aviation industries, such as pre-transaction feasibility analysis,

special export control due diligence and internal compliance management, and sanctions compliance.

**EDUCATION**

Ms. Jiang received a Master's degree in Financial Management from Euromed Marseille in 2011 and a Bachelor of Arts degree from Communication University of China in 2009.

**QUALIFICATIONS**

Member of the PRC Bar

**WORKING LANGUAGES**

Chinese, English, French
